Attachment: Accompanying Statement explaining CPNI procedures

STATEMENT

ATC Communication, Inc. has established operating procedures that ensure compliance with the Federal Communications Commission (FCC) regulations regarding the protection of Customer Proprietary Network Information (CPNI).

ATC Communications, Inc. has implemented a system whereby customers' directive regarding their CPNI can be determined prior to its release or use. Occasionally, when incidental discussions involving a customer's CPNI are conducted over a telephone line (rather by mail), the identity of the customer is verified by either person knowledge of the individual or by callback at their telephone number of record.

ATC Communications, Inc., does not provide public access to customers' records (including CPNI) via the Internet nor by dialup to a computer.

ATC Communications, Inc. continually educates and trains its employees regarding the appropriate treatment of CPNI. ATC Communications, Inc. has established disciplinary procedures should an employee violate the CPNI procedures established by ATC Communication, Inc.

ATC Communications is not affiliated with any business entity, does not perform sales or marketing campaigns and does not provide CPNI to any entity aspiring to do so.

There were no data broker incidents or customer CPNI complaints at ATC Communications, Inc. in the past year.

We take CPNI seriously and it is our corporate culture to protect CPNI.
